

**2009-2010
REGISTRATION FORM
PENNSYLVANIA FUTURE PROBLEM SOLVING
Scenario Writing**

The registration fee of 80.00\$ entitles a student to submit one scenario in the pre-competitive round and one improved scenario in the competitive round of the Scenario Writing Competition. This year it will be mandatory for all Scenario Writing contestants to submit a pre-competitive entry for feedback in December 2009 so improvements can be made prior to the competitive round entries in early February. For more information, contact Jack R. Anderson, PA FPS Affiliate Director at 717 543-5254 or jra57@mcsdk12.org. Our PA FPS site is at www.mcsdk12.org/fpsp
