Dear Parent:

The Mifflin County School District is conducting fall registration for children who will be eligible for enrollment in a kindergarten class for the 2015-2016 school year. Registration will be held on October 29 & 30 at SMES, October 31 & November 1 at EDES, November 4, 5, & 6 at IVES, and November 7, 12, & 13 at LES. Registration times will be scheduled between 9:00 a.m. and 4:00 p.m.

Information gathered from this survey will enable the District to properly plan for its new enrollees and will provide an opportunity for school officials to communicate directly with parents and guardians concerning enrollment requirements.

Proper enrollment for school includes a physical examination and verification of birth date and proper immunization. Once enrolled, a preschool kindergarten assessment to determine learning potential is administered to each child prior to the beginning of school. While this assessment has no bearing on eligibility for enrollment, it does aid the school in structuring meaningful and appropriate educational programs for new students. Once your child is registered you will receive more information about the assessment program.
