

You're Invited!

If you have a child entering kindergarten in 2018-2019,

Please join us for our **FREE**

Kindergarten Readiness Workshop!

Each workshop will offer a math and literacy session.

The literacy session will cover topics in which you will learn how to help your child develop awareness of sounds and how oral language and letter sounds influence reading skills.

The math session will teach you how to help your child develop an awareness of number recognition.

Workshops will be held from 9:00 am—12:00 pm

Parents and their incoming kindergarten child only need to attend one workshop.

We encourage you to attend the workshop at your child's home school, but you are welcome to attend a workshop at any building.

Strodes Mills Elementary

Saturday, January 13, 2018

Indian Valley Elementary

Saturday, January 27, 2018
