

MIFFLIN COUNTY SCHOOL DISTRICT

Employee Portal User Quick Reference Guide

This guide is meant to be used as a quick reference for the main steps required for users to log in to and use the features of the Employee Portal. Before starting, you must have your login and initial password.

Log in to the Employee Portal

1. Click on the Employee Portal link available under Staff on the district web site.
2. Enter the assigned login and password. Upon first login, your **MY ACCOUNT** screen will display.

You only need to complete steps 3-5 the first time you log in, unless you choose to make additional changes.

3. Enter a new password and enter your **Mifflin County School District e-mail address.**

**NOTE: Only use your Mifflin County School District email address. The employee Portal will not send emails to external email addresses.*

4. Choose a password question and enter an answer to use in the event that you forget your password.
5. **SAVE** the changes.
6. The **MESSAGE CENTER** and **EMPLOYEE** tab will display.
Available options on the **EMPLOYEE** tab will vary.

Message Center Tab

By default, the **MESSAGE CENTER** displays available messages loaded by your district. These messages consist of text and can include attachments or a link to a valid URL. Initially, the first 50 characters of each message display in the grid. Click a message link to display the full message.

Employee Tab

1. Click the **EMPLOYEE** tab to display all available employee options.
2. Select each option to access that online feature.

Pay History

1. By default, the current year displays in the **Year** field. As needed, select a different year from the drop down list box. All checks display.
2. Click the desired **Check Number**. The stub for that date will display.
3. Review the check stub. You can use your browser's print feature to print the check stub.

Absences

1. Click the **ABSENCE** tab to display your absence types with current balance information.
2. To view the history detail for one absence type, click the **Absence Code** link. The absence information displays for review.
3. To view or generate a report for one absence type, select the **Absence** and then click the **Print** button. To review all history in date order, select the **Review All** button. Then, click the **Print** button to print the report.

Personnel

The **View** link displays all available information.

Pay Calculator

Default information displays. If adjustments to wages, taxes, or voluntary deductions are desired to preview a Net Pay calculation, enter the new information and **Submit** the request.
Select **Calculate**. Select **Report** to print a copy.
