Art Show!!!

When: May 18th & 19th

Saturday 10-5pm and Sunday 10-3pm

Where: **LOCATION CHANGE** The art show will now be at the old Glick's Store on the circle in Lewistown, next to Merf Radio.
8 E Market St, Lewistown, PA 17044

Who: All the elementary schools in the area!

The art show is a great opportunity to check out everyone's art work, support our friends, and check out if your artwork is in the show! All of our students have worked very hard this year, and the art show is an exciting way to show off their masterpieces! I hope to see you all there!

Summer Reading Tips from the Title Team...

We know summer is a busy time for families. The Title Teachers have put together a few easy tips to help your child keep their reading skills sharp over the summer vacation.

Read every day for at least a few minutes

Tell someone at home what you read about

Act out the story you read

Visit the local library

Read traffic signs and billboards while in the car

Flash from First Grade

This month, first grade went on a field trip to Penn's Cave. The kids loved riding the bus through the grounds and seeing all of the animals, especially the wolves! The ride through the cave was so exciting and the kids were amazed by all of the rock formations. All in all, it was a fantastic day for first grade!

Second Grade splash...

Spring is an extremely busy time in 2nd grade. For Agriculture Literacy Week, the Big Valley FFA came to 2nd grade and presented a lesson. A huge shout out to the Big Valley FFA for teaching us that agriculture is so important to us. Many 2nd and 3rd grade students participated in the Spring Choral Concert. As always, it was an awesome concert! Thanks to Mrs. Miller and these students for their time and dedication. Our first field trip was a Cinderella Ballet performed at the Halbritter Center at Juniata College. We enjoyed seeing all the talented performers. We are looking forward to our second field trip to Lake Tobias later in May. Seeing the animals is always a fun time!

Kindergarten scoop

May is an exciting month in Kindergarten! We have transitioned from being Kindergarten students to first graders in training. Our learning is focusing on using our reading skills and strategies, learning our sight words and counting to 100 by 1s and 10s. In science, we are learning all about living things. We are excited to see our chicks hatch, our tadpoles grow into frogs and to see our seed houses sprout! As we finish the school year, we are looking forward to STEM day, our farm day field trip, field day and beach day. We are so proud of the work these students have put into this school year. We are excited to see them move up to first grade!

Third Grade News

The PSSA's are behind us! 3rd graders enjoyed celebrating all of their hard work so far this year with a "Fun Day" on Friday, April 26th. We enjoyed some arts and craft activities in our rooms, were treated to root beer floats by the Home and School Association, and enjoyed signing up for a movie of our choice in a 3rd grade classroom for the afternoon! We even visited the Intermediate School playground for some extra recess time the following Monday (since the rain kept us inside on Friday)! Way to go 3rd Grade - we are ALL proud of your hard work and efforts on the test!

I am a **BUCKET FILLER** at home!

Name of Bucket Filler _____ Grade _____

Homeroom teacher _____ Grownup awarding ticket _____

What did your child do? _____

Bring this ticket back to LES and put it in the WHITE bucket.
