Resource Fair

Please join us at OPEN HOUSE in the cafeteria for a variety of resources, including activities for your child. Boy Scouts, Girl Scouts, YMCA, Upward Basketball, MC Library, plus many more community agencies will be at the Fair. **Don't forget** to stop by our PBIS table to win a **PAW ticket** with your student!

NATIONAL SCHOOL BUS SAFETY WEEK

School bus transportation plays a critical role in the education of our nations' students, and is the direct link between a neighborhood and the classroom. More than 25 million children ride the yellow bus every school day and National School bus Safety Week serves as a reminder for students, parents teachers, and the community to keep school bus safety in the forefront. Here are tips to keep our children safe at the bus stop.

Getting Ready for School

- Have your children put everything they carry in a backpack or school bag so that they won't drop things along the way.
- Encourage them to wear bright, contrasting colors so they will be more easily seen by drivers.
- Make sure children leave home on time so they can arrive at the bus stop before it is due, ideally at least five minutes early. Running after or in front of a bus is dangerous.

Walking to the Bus Stop

- Walk your children to the bus stop or encourage children to walk in groups. There is safety in numbers; groups are easier for drivers to see.
- Practice good pedestrian behaviour: walk on the sidewalk and, if there is no sidewalk, stay out of the street. If you must walk in the street, walk single file, face traffic and stay as close to the edge of the road as you can.
- Stop and look left, right and then left again if you must cross the street. Do the same thing at drive-ways and alleys. Exaggerate your head turns and narrate your actions so your child knows you are looking left, right and left.

At the Bus Stop

- Have children wait in a location where the driver can see them while driving down the street. Try to avoid waiting in a house or car.
- Do not let children play in the street. Playing with balls or other toys that could roll into the street is also dangerous.

Getting On and Off the Bus

- Warn children that if they drop something getting on or off the bus, they should never pick it up. Instead, they should tell the driver and follow the driver's instructions.
- Remind children to look to the right before they step off the bus.
- If you meet your child at the bus stop after school, wait on the side where the child will be dropped off, not across the street. Children can be so excited to see you after school that they dash across the street and forget the safety rules.

Mobile Devices

Cell phones and other electronic devices are often permitted on the school bus as long as:

- They are in backpacks or other holders, keeping hands free to use handrails while boarding and departing the bus.
- Sound is muted on headphones, ear buds or similar devices that are used.
- Content does not violate the law or school district policy and procedures.
- Use does not create a distraction for the driver.

DAYCARE FOR SMES STUDENTS

SUM Daycare is at Lewistown Elementary School. The Daycare will be open at 6:00 AM, for parents to drop off their children, till the start of school and again after school until 6:00 PM. The children will be bussed from the Daycare to SMES and then return to LES each day for after school daycare and parents will pick them up there. If you only need “after school” daycare or just “morning” daycare that can be arranged too. Please call SUM Daycare at 717-242-3032 to get more information concerning the Daycare. SUM Daycare will have a table set up at Open House on October 1st. They can answer your questions.

CHRISTMAS CONCERT

The Concert will be on Tuesday,
December 17th

Kindergarten and 3rd Grade will be
performing at 9:00 AM

1st and 2nd Grade will be performing at
10:00 AM

If you see a  parked outside of Strodes Mills Elementary School, do not be alarmed! The police will be driving by, stopping in for lunch, coming on the playground with the children or just walking in the halls. They are just here to try to get to know the children and the children to know them.

Students that came from LES received “free” lunches through a “special program.” Those students will get “free” lunches for 30 days. Parents need to fill out the “free and reduced” lunch forms that were sent home the first day of school before the 30 days are up. Students will be charged full price for lunches after that time.
