

Downloading Google Docs to Word or PDFs

By downloading documents, you will no longer need Internet access to view them.

1. Open the Google Doc.
2. Go to **File** and choose **Download**.
3. Here you can choose to download the document as **Microsoft Word** or a **PDF**.
4. After you select Word or PDF, the file will be available at the bottom of your screen.

5. To open the new document, click the drop-down arrow at the end of the download. Choose **Show in Folder**. You can also access the documents in the **Downloads** folder.
