Adobe Apps on Creative Cloud

*Downloading Adobe Apps on Your Personal Device:*

1. Open the website: https://www.adobe.com/.

2. Select the **SIGN IN** button in the top right corner.

3. Choose to **CONTINUE WITH GOOGLE**.

4. If prompted, choose **ENTERPRISE ID**.

5. Click on the apps button, "the waffle", in the upper right-hand corner and choose **CREATIVE CLOUD**.

6. In the center of your page, you will see the most popular Adobe programs listed. To see all of the programs, choose **VIEW ALL**.
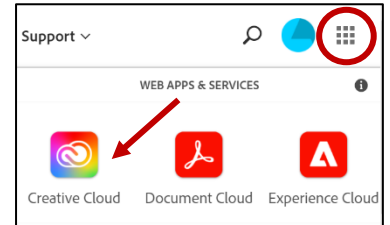

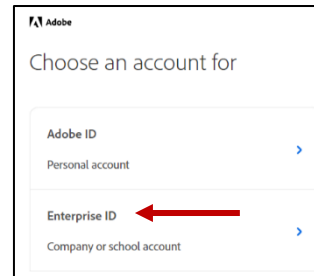

7. In the center of the screen, you can choose the type of product you wish to view.

8. For desktop programs, you will select **INSTALL** and follow the prompts on the screen. For web-based programs, you will select **LAUNCH** and the website will automatically open in a new tab.
