Physical and Dental Examination Requirements

All students are required to have a physical examination upon entry to school for kindergarten, in the 6th grade, and in the 11th grade. All students are required to have a dental examination upon entry to school for kindergarten, in the 3rd grade and in the 7th grade. School dental examinations are offered once during the school year in the early Spring. It is preferred that your family dentist complete this examination. Please submit this information to the school nurse.

Attendance Reminders

Regular attendance in elementary school sets up a good pattern for your child's entire school career. Please remember:

- ❖ Students must submit a written excuse within three (3) school days following the absence. Excuses must include the child's full name, the date and reason for absence, and a parent/guardian signature. Failure to submit excuses can result in unlawful absences.
- ❖ Students arriving after 8:20am are tardy. Students arriving after 9:30am or leaving before 2:00pm will be marked absent for ½ a day.
- ❖ Students are able to take up to five (5) Educational Trip days per school year. Be sure to fill out the form and have it signed PRIOR to taking the trip. A report is due to the office within 3 days of returning from the trip to be considered lawful.
