Dear parents/guardians:

As we continue to navigate through virtual learning platforms, we cannot stress enough that daily assignments are a **graded academic requirement** for each student for every school day which we conduct classes remotely.

***Please contact the school if you need assistance.

How to Complete Required Work Assignments

1. Join synchronous Live Remote Lessons via ZOOM (Link can be found in Google Classroom) - Students can attend all 7 class periods - Monday - Thursday from 8:00 a.m. - 3:15 p.m. Students will receive direct instruction from each subject teacher on these days. Friday is an asynchronous Google Classroom day.
2. Logging in to Google Classroom - Students log into their Google Classrooms and complete the assigned materials for all subject areas every day.
3. Paper Packets requested by parents - Drop Off/Pick Up is every Monday beginning at 9:00 a.m. outside the office lobby doors. Students **must** complete **all** work and return each week.

Check Skyward

Please check your child's attendance/grades via Family Access/ Student Access on a frequent basis. We have discovered that some of our students are reporting to their parents/guardians that they are completing their work when in fact they are not.
