

Sora – Ebooks and AudioBooks

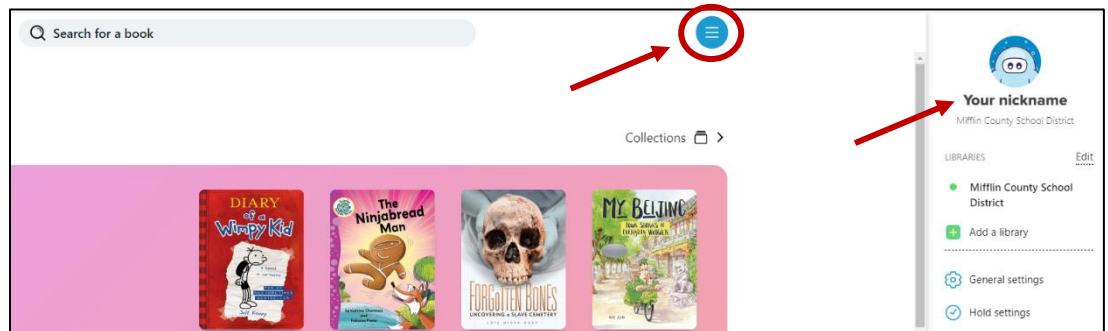

1. Log in to **ClassLink** using the link on the MCSD homepage (www.mcsdk12.org).

2. Click on the **Sora** app to open it.
3. If prompted, click on the green button to **Sign in Using Your Mifflin County School District** account.

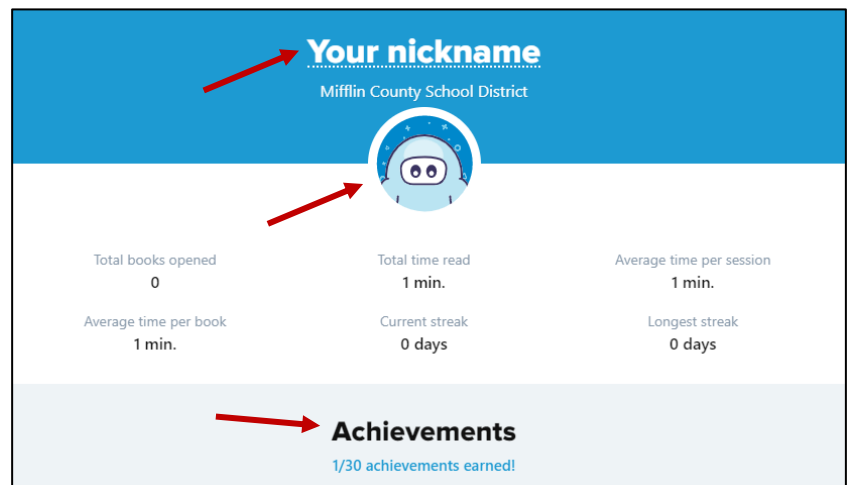

4. To see your **achievements**, click the 3 lines in the right-hand corner. **Click on the name** under the profile icon.

5. Your achievements are listed at the bottom of the page. You can also see data based upon the time you have spent in the program.

***NOTE:** You can click on the name at the top "Your Nickname" and change your name. After you enter your name, press **SAVE**. You can also click on the profile icon and choose from one of the available icons.

NAVIGATION TOOLS:

- **Home** allows you to see Book Loans, Assignments, and words you may have highlighted while reading.
- **Explore** enables you to browse and search Sora's collection.
- **Shelf** is where you can see which books you have checked out and when they are due.
- **Me** allows you to view your settings.

To set your preferences, click the **EXPLORE** button at the bottom of the page. Click the **PREFERENCES** button in the upper left corner of your screen. Make your choices and press **APPLY** when finished.

- Young adult
- General adult

A Few General Notes About Sora:

- Students may check out 3 books at a time and renew them as needed.
- Multiple students may view/check out the same book.
- There are more settings in which teachers can assign books to students as well as make notes within books. Those options are currently being explored and may require a paid subscription – more to come!
