The character trait of the month is LOYALTY. Teachers and staff will be watching for students who show others that they are faithful and dependable when they have a commitment.

"Blue tickets" will be handed out to those students who model this character trait. Those who receive blue tickets will also receive a certificate from the principals, recognition during the morning announcements, a spirit stick, and a chance to win a special prize through the "Principal's 200 Club Board."

As always, paw tickets will be given to students daily as they display **respectful, responsible, ready, and safe** behaviors. Keep up the great work, Indian Valley! We are proud of you!
