## From The Library

This fall LES will be having an in-person Follett book fair!! Students will be able to come to the library and shop for a book!! This is such a fun experience for our students, and it raises money for our library!! Our in-person fair will run from October 11 through October 13. Each classroom will come to the library one time to shop. We are also having an on-line fair where you can purchase books as well. This is a great option for students in quarantine. You can access our on-line book fair by going to [efairs.follettbookfairs.com](https://efairs.follettbookfairs.com) and entering code: Z753Y Please check your student's folder and social media for more information!!

## Lockdown Drill

As part of our safety practices, we will be conducting a Lockdown Drill on October 7, 2021 instead of a Fire Drill. During the Lock Down, our staff will secure the students in a safe location. The local Emergency Management Agency, the local police, and state police are invited to attend this drill. You can rest assured that Lewistown Elementary School is practicing safe procedures.

## Thank You, Blaise Alexander!

Blaise Alexander, our local Subaru retailer, selected our school for this year's Subaru Loves Learning initiative, which focuses on supporting education in local communities. Our school received a \$3000 credit through the nonprofit AdoptaClassroom.org so we can purchase the supplies our students need to succeed. We are proud to be one of 600 schools nationwide selected by Subaru retailers in support of more than 114,000 students.
