### What is PBIS at MCMS?

Positive Behavioral Interventions and Supports (PBIS) is an approach schools use to promote safety and positive behavior. With PBIS, schools teach students about behavior expectations and strategies as they would teach any other subject - like reading or math. At MCMS students are recognized for meeting PACK expectations - Be ResPonsible, Act Safely, Have Character, and MaKe a Difference. PBIS Rewards is an online program where teachers can reward students with points for meeting these expectations. Students can then use their points to enter schoolwide raffles and to buy items at a teacher's store. Leaders of the PACK is an extension to this program. Teachers nominate students who go above and beyond. These students are then recognized with a certificate, a phone call home, and a chance to win additional prizes!

## MCMS Spirit Days

Dear Parents,

Educational technology and funding changes daily. To keep up with these changes and expenses, our school is partnering with Weis Markets in the Weis 4 School program. By participating in this program, we can earn money for our school simply by shopping as we all do every day. When you shop at Weis, scan the barcode below to register your Weis Club Card. Once you register, you're in the program and you do not need to register again. Please share this barcode with your friends and relatives so they can earn points for our school too.

Thank you for supporting our school with much needed funding!
