## Right to Know

As a parent of a student attending a school that is receiving Federal Title I dollars, you have the right to know the professional qualifications of the teacher(s) and instructional paraprofessional(s) who instruct your child. Federal law requires every Title I school district to comply and to provide you with the requested information in a timely manner. We are happy to provide this information to you. At any time, you may ask:

- > Whether the teacher met state qualifications and certification requirements for the grade level and subject he/she is teaching,
- > Whether the teacher received an emergency or conditional certificate through which state qualifications were waived, and
- > What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications. If you have any questions about your child's assignment to a teacher or paraprofessional, please contact Mr. Miller at 717-248-7154 or fwm28@mcsdk12.org.
