Permission to use school facilities is granted only under the assumption that those individuals in charge of the activities are exercising proper use and care of all school areas and equipment while in use. Failure to properly take care of school facilities will result in revoking privileges to those individuals.

You, or the organization you represent, must provide proof of a minimum of \$300,000 personal injury coverage and \$100,000 of property damage coverage. Please provide your certificate or other proof of insurance evidencing appropriate coverage with this application.

In accordance with Section 4 of the policy, your organization will be required to furnish the School District with protection from liability by presenting evidence of the purchase of organizational liability insurance and completing and Agreement of Indemnity executed by an officer of the organization. An Agreement of Indemnity remains active for future applications made throughout the current fiscal year July 1 through June 30.
