

IVEC OCTOBER NEWSLETTER

From the principal's desk...

As we move into fall, the students are really getting into the swing of things! They have been earning thousands of PBIS points across the building, working toward our school wide goal which will earn them a celebration! We have been in all of the classrooms and see the wonderful work of our teachers and the amazing learning that is happening for each student!

Mr. Portzline Mrs. Michaels

Headphones🎧

You are encouraged to send in a pair of headphones for your student to keep in the classroom. They should be ones with a standard 3.5mm jack, similar to the ones in the picture. They are not to be wireless or earbuds. Providing headphones is optional but very beneficial for students to have their own pair. Please write their name on it when you send them in. Thank you!

3RD GRADE TRIP TO THE FARM!

Kish View Farm

3rd grade students across the district attended an annual trip to the farm for Mifflin County Farm Bureau's 3rd grade Ag Tour! Mr. Cramer, Mr. Fink, Mrs. Gipe, and Mrs. Woods students had the privilege of visiting stations and learned all about farming and how farming impacts a lot of what they do each and every day. It's a great experience that the Farm Bureau gives to our 3rd graders each year. They put in a lot of time and effort to create the schedule of stations that shows our

students just how much goes into operating the farm. Thank you to Kish View Farm for hosting our students and giving them a wonderful learning opportunity!
