## Miss Martin- Science A

I am a graduate of Lock Haven University and studied middle level education with a concentration in science. During my time at LHU I was also on the Women's soccer team. This is my 2nd year teaching Science but my first year at Mifflin County Junior High. I am passionate about growing my students and supporting them for success in any way that I can. In my free time I enjoy coaching soccer, spending time outdoors and spending time with family.

## Mr. Glover- Business and Computers A

Hello MCJH Families

My name is Ben Glover and I teach Business and Computers to the ninth grade. Though I spent nearly all my adult life in Alaska, my family and I now proudly call Belleville home. I have taught K-12 for eight years and was a principal for three. Also, I served as Dean of Vocational Education and Workforce Development for Ilisagvik College for six years. I have eleven children including two who attend MCJHS.

## Student Assistance Program (SAP)

The MCJH Student Assistance Program (SAP) Team is a group of professionals dedicated to helping to identify and assist students who may be struggling with life issues that are interfering with school performance. The SAP team consists of teachers, administrators, school counselors, social workers, nurses, and representatives from community agencies who have been specially trained to work with students and make appropriate referrals. This help is provided in a completely non disciplinary way. Based on the diverse needs of our students, this process may include an interview with a member of the SAP team, a counseling group, or individual counseling with the school-based therapist or social worker. Services may include academic support; behavior management; drug and alcohol education, prevention, assessment and treatment through Clear Concepts; anger management; mental health assessment through the Youth Advocate Program; conflict resolution, or involvement in community agencies. All SAP-related services are free and confidential. A parent or guardian must sign a permission for SAP services. Any student, parent, or teacher may make a referral. If you have concerns for a MCSD student in grades K12, please contact an administrator, school counselor, or school nurse.
