If the Mifflin County School District is in session and a parent/guardian determines that the roads are “unsafe” to travel due to poor weather conditions, the parent/guardian is permitted to have the student(s) remain at home for the day. To be granted and excused absence, the parent/guardian would need to submit an excuse to the school stating the roads are “unsafe”.

Student Council Service Project

The Student Council completed a service project in December where they gathered donated items from 1st period classes and sent to our soldiers, many of whom are overseas.

Twelve boxes were mailed the first week of December. Malaina Maxwell, Aubree Dobson, and Emily Runkle place labels on the boxes. They were among the many council members who helped. The teachers whose classes donated the most were treated to gift cards. Winners were 8th Grade - 1. Mrs. Hostetler, 2. Mrs. Schomaker, 3. Mrs. Lilley. 9th Grade - 1. Mrs. Slepicka, 2. Mrs. Peachey, 3. Mr. Chila.

Student Assistance Program (SAP)

The MCJH Student Assistance Program (SAP) Team is a group of professionals dedicated to helping to identify and assist students who may be struggling with life issues that are interfering with school performance. The SAP team consists of teachers, administrators, school counselors, social workers, nurses, and representatives from community agencies who have been specially trained to work with students and make appropriate referrals. This help is provided in a completely non disciplinary way. Based on the diverse needs of our students, this process may include an interview with a member of the SAP team, a counseling group, or individual counseling with the school-based therapist or social worker. Services may include academic support; behavior management; drug and alcohol education, prevention, assessment and treatment through Clear Concepts; anger management; mental health assessment through the Youth Advocate Program; conflict resolution, or involvement in community agencies. All SAP-related services are free and confidential. A parent or guardian must sign a permission for SAP services. Any student, parent, or teacher may make a referral. If you have concerns for a MCSD student in grades K12, please contact an administrator, school counselor, or school nurse.
