MCJHS Student Council

Student Council hops around the Junior High delivering goodies to students and adults.

Mrs. Wagner's Life Skills

Mrs. Wagner's Life Skills class spent the last 3 weeks learning about incubating eggs and hatching chicks. We started with 12 eggs and have already hatched 11 chicks. The student's love watching the eggs and waiting for them to hatch.

*The annual Junior High Art Show will be held on:
May 9th
4:30 - 6:30*

Please enter through the flagpole entrance doors.

The Diary of Anne Frank

Mrs. Hostetler's 8th grade English classes have been reading *The Diary of Anne Frank*. The students worked together in groups to create displays of the Secret Annex that the Frank family and others hid in during World War II.

Mr. Chila's Mystery & True Crime classes

In March, Officer Hamler was kind enough to visit Mr. Chila's Mystery & True Crime classes. These classes have been learning about poisons, fingerprints and other investigative techniques as they study true crimes and fictional mysteries. Hamler shared his professional experience and showed students how fingerprints are taken at a crime scene.

Students were then able to dust for their own fingerprints and "lift" them onto index cards.

Students really enjoyed dusting and lifting their fingerprints. One student said, "I've been waiting all week for this!"

Officer Hamler said that getting into the classroom and sharing his experience with the students is really why he does what he does. It's his opportunity to give back to his community and, hopefully, help to inspire MCJH students.

Mrs. Hopple's American Cultures classes

Students brought history to life the classes experienced a "Speakeasy" on March 22nd. Students chose a historical figure from the 1920s to role play during the activity. Al Capone to Babe Ruth to Zelda Sayre, the range of historical figures encompassed many cultural aspects. Dancing the Charleston was also an option for students, as well as dressing as their historical figure.

Student Assistance Program (SAP)

The MCJH Student Assistance Program (SAP) Team is a group of professionals dedicated to helping to identify and assist students who may be struggling with life issues that are interfering with school performance. The SAP team consists of teachers, administrators, school counselors, social workers, nurses, and representatives from community agencies who have been specially trained to work with students and make appropriate referrals. This help is provided in a completely non disciplinary way. Based on the diverse needs of our students, this process may include an interview with a member of the SAP team, a counseling group, or individual counseling with the school-based therapist or social worker. Services may include academic support; behavior management; drug and alcohol education, prevention, assessment and treatment through Clear Concepts; anger management; mental health assessment through the Youth Advocate Program; conflict resolution, or involvement in community agencies. All SAP-related services are free and confidential. A parent or guardian must sign a permission for SAP services. Any student, parent, or teacher may make a referral. If you have concerns for a MCSD student in grades K12, please contact an administrator, school counselor, or school nurse.
