PUBLIC COMPLAINT POLICY 906

Mifflin County School District School Board Policy 906 requires annual notification to parent/guardians that the School Board welcomes inquiries, suggestions, and constructive criticism from parent/guardians, district residents or community groups regarding the district's programs, personnel, operations and facilities. The Board adopts this policy to establish procedures for seeking appropriate resolution to complaints.

Complaint procedures can be found at the Mifflin County School District website on the School Board page under Policies.

If provision of instructional supplies imposes a financial hardship on a family, the school district can assist with some of these costs. An application process for such materials is located under MCSD Policy 110, and is available for review on our website. Families may also contact Mr. Reeder to see if you qualify for any assistance with school materials.
